www.shareyoursoles.org

Share Your Soles is a non-profit organization that provides gently worn shoes to those in greatest need around the world.

Bring your gently used or new shoes to school

March 5-23.

There will be shoe drop box in front of each classroom and the office.

Share Your Soles accepts all types of footwear including gym shoes, sandals, boots, shoes of all sizes, men's women's and children's. Your gently worn or brand-new shoes **of any kind** are going to people who may have never even owned a pair. It's important that these shoes are in **good** condition to respect the dignity of those receiving them. Shoes older than five years old decompose, even if they were never worn. So please: be respectful with your donations, understand that the goal is to provide good, clean shoes to those in need. For example, tennis shoes should include laces and not have holes. Share Your Soles will **discard** any old overly worn shoes!

Share Your Soles does not recycle, refurbish, or repair donated shoes!
